BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs Jameson

With only two weeks to go until the end of half term the children are really showing how well they are working in their new classes. Around school this week exciting learning has been taking place.

Class 1 have been continuing their magic theme with some magical maths. Who knew that Mrs Lee could make numbers disappear and reappear?!

Class 3 have been working hard and persevering on new mathematical concepts as well as thinking carefully about reversible and irreversible changes in science.

On Tuesday afternoon I spent a lovely afternoon in Class 2 who amazed me with their knowledge of the Great Fire of London and used what they knew to write Fire of London poems which they performed to the rest of the class.

Today, Class 4 have been out to Headlands School where they have taken place in a maths morning. The children had a great time and Mrs Kemp was very proud of them all. Not only was their maths top rate, their behaviour and manners were too.

If you haven't yet done so, please return your slip for parents evening so that we can talk more with you about all of the wonderful things your child has been doing.

Sporting News

Last week pupils from schools in the cluster were invited to take part in the Autumn biathlon at Driffield School. Isabella and Sophie took part. Isabella came second in her age group and Sophie fourth. Fantastic achievements. Well done. The next Biathlons take place after Christmas. These are on Wednesday 13th March and Wednesday 8th May. Put them in your diary!

Last night saw the annual Year 5/6 football tournament held at Driffield School. Burton Agnes put out a mixed team of committed and enthusiastic players many of whom had not played in a tournament before. The players did themselves proud and captained by James, they played their hearts out. Although they didn't win they should feel proud of their efforts and team spirit. Many thanks to parents who went along to support and Miss Clubley and Mrs young who were the adults in charge.

PE Kits

~~Many parents have been asking if their children~~ should have trainers or plimsolls in their PE kits. We recommend that children have trainers for outdoor activities as the soles of plimsolls are not very thick for outdoors. When the children do dance or gym they do it inside in bare feet.

Harvest Supper

~~Raffle tickets are still on sale from Leanne with~~ amazing prizes to be won.

Flu vaccine

Next week the children in reception up to Year 5 will be having their flu nasal vaccine. (if you have given permission.) There is a great video and information to share with your child about this and

why it is important to have. Visit <https://www.nhs.uk/Video/Pages/flu-heros-nasal-flu-spray-for-kids.aspx>

Data forms

If you haven't already done so please return your data forms to school **ASAP**

Bus Stop and Parking

After a lot of hard work (thank you Mrs Banks) we now have a designated space for the school bus to park. We have become very concerned about the safety of this group of children who have to dodge car doors swinging open on a regular basis as they walk down the road to the bus as the bus can't get parked close to school. Please can we ask that this area is kept free for the bus at the start and end of the school day. We are awaiting a sign that will explain what the parking restrictions are. Please can I also remind you about taking care coming in and out of the car park. We are all aware that the parking situation is not ideal and it is tricky at busy times to get in and out of the car park, but with a little care and courtesy we should all be able to keep everyone safe. We have also had confirmed that the garden centre land belongs to Burton Agnes Hall who give you permission to park in there so long as the garages are not blocked. Thank you for your co-operation.

Dates For Diaries

Tuesday 16th October	Nasal Flu vaccine
Thursday 18th October	FOBAS Harvest Supper
Thursday 25th October	Parents Evening
Friday 26th October	School Closes for Half Term
Monday 5th November	School opens
