A Note from Mrs Jameson

Welcome back to the final term of our academic year! It has been lovely to catch up with the children and hear all about their lovely Easter holidays. They have come back to school refreshed after their Easter break and eager to get on with their new learning. In the next week you will receive this terms curriculum overview. This will detail the learning that your child will be doing this term so that you can support them at home. If at any point in time you feel you need any clarification about what your child is learning or how they learn, please just ask. We are happy to help.

On the back of the newsletter you will find diary dates for the term. Please keep checking these for updates.

This term we welcome two new children in to nursery and a new family into to school. We hope that they will all be very happy here at Burton Agnes.

A few reminders....

As it is the start of a new term please can we just remind you of a few things that we all need to cooperate with to ensure the smooth running of school and the very best for our pupils.

48 HOUR RULE At Burton Agnes we follow the advice given by the NHS and supported by the Local authority whereby any child who has experienced sickness or diarrhoea must not return to school until they have been free of symptoms for 48 hours, regardless of how well your child is feeling or if it was a one of incident. For the health of others we ask that this guidance is followed. Thank you

PE KITS All children need to have their full PE in school all of the time. Please check that your child's footwear still fit. Thank you

8.55am is the time that school starts. Please ensure our child is in school for that time.

Dinner Money.

Please ensure you have paid for your child's dinners. This can be done weekly, half termly or termly. Thank you.

Car Parking Please park with courtesy and consideration to fellow car park users and our neighbours. The garden centre car park is not for school. Please ensure that pedestrians only use the pedestrian access to the car park.
