BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs Jameson

This week I have been very encouraged by how well the children are embracing this terms topic of 'Our Amazing Planet'. I think we have all been made very aware of the real importance of looking after our planet as we have seen the images on the tv of the fires that continue to burn in Australia and the news regarding the earths temperatures increasing. The children have already started to think about what they can do to help make a difference and shortly in school we will have our very own 'Planet Hero's' who will be helping to bring about a change in and around school.

In the meantime we are challenging everyone to be a planet hero by having a go at making an 'eco brick' An eco brick is a bottle such as a coke bottle or large milk bottle or juice bottle even that is filled with plastics that cannot be recycled such as sweet wrappers, crisp packets, cellophane, straws some packaging etc.

When you have made your eco brick, send it in to school and start making another one. Initially we are going to use our bricks to create a sculpture in the Reflection Garden. If we have any more we may continue to use them to make things with or donate them.

We have also signed up to be a plastic free school.

If you are an eco-warrior yourself and have time to come in to school every once in a while to help the children with their endeavours then please let us know. We look forward to seeing your bricks soon.

Class 1 visit 'The Deep'.

On Tuesday the children in Reception launched their topic with a trip to The Deep. They enjoyed looking and learning about all that lives in and under the seas. They were taken on a journey by a Killer Whale called Kai, to look at the effects of plastic on our oceans. Over the next few weeks the children will look more closely at issues affecting our planet on a local level, and look at different ways that we can make a difference on both a small and larger scale.

Mrs Lee and her team were very impressed with how well the children listened and enjoyed the experience.

Dates For Diaries

Monday 13th January	Street dance starts for KS2
Tuesday 14th January	Reception visit to The Deep Fiona's sports club starts
Thursday 16th January	Reception and Class 2 Gym club starts
Monday 20th January	School nurse visit class 1 and 2—handwashing workshop
Tuesday 28th January	Chinese New Year Lunch
Friday 7th February	Children's Heart surgery Fund Day—wear red
Thursday 13th February	Parent Consultation Evening
Friday 14th February	School closes for half term
Half	Term
Monday 24th February	School opens
Friday 28th February	School Book Fair starts
Tuesday 3rd March	Class photographs
Thursday 5th March	World Book Day
Thursday 12th March	Class 2 Farm experience
Friday 20th March	Mothers Day Lunch for Y6 parents
Friday 3rd April	Easter church service at St Martins End of term
Monday 20th April	School opens for Summer term

Book Fair

The Book Fair will be visiting Burton Agnes School From Friday 28th February to Thursday 5th March 9 (World Book Day).

During this time there will be opportunities for your children to purchase some books should they wish.

To help the children save up for some books we will be operating a Book Fair Saving Scheme. This will help spread the cost of the purchase and also promote the idea with the children of the benefits of saving up for something special. It's not too late to start saving. Send your money in every Monday.

Pen licence

Congratulations to Evelyn who is our latest pupil to be issued with a pen licence.

Evelyn is in Year 2 and works consistently hard to present her work carefully using joined up writing. Her work shows care and pride throughout.

Water Bottles in School

Please can you make sure that your child has a named water bottle in school. We have a lot of children who required a drink but don't have a bottle. Thank you.

Invitation to Piano Recital

Please join us for a Yorkshire Wolds Suzuki Piano recital with Jenny Bray's piano pupils on February 1st at 2pm At the beautiful new function room at The old Star Kilham. For information contact Jenny Email brayleach@yahoo.com Mobile 07726 996 110 .Everyone is welcome!

Christian Values for Worship

Your child will be bringing home with them this evening a sheet telling you all about the Christian Value that we will be focusing on through worship time. This half term we will be focussing in school on the value of 'perseverance'.

At Burton Agnes we feel that perseverance is not only an important Christian Value but a life skill. Very little that is really worthwhile in life can be achieved without perseverance. It is something that many of us, children and adults alike, can often find difficult.

In teaching the children about not giving up we are teaching them also about how to cope. This is being delivered through our Happy Centred School programme.

Do take the time to have a look at the home school values sheet and carry out some of the activities. It would be lovely to see lots of children taking part in the 'home school challenge'. We will give you until half term to work on your mosaic. (See sheet for information)
