## A Note from Mrs Jameson

It has been lovely this week to see the children outside and enjoying the sunshine. It may well be short lived but it's always nice to make the most of it when it puts in an appearance. It may be a little early but here is a little reminder about how we can look after our children in school on hot sunny days. We try our best to keep the children safe from the sun and provide them with shady areas wherever possible.

Putting **all day sun cream** on before your child comes to school and sending them with a **hat** is definitely the best course of action. If you require children to reapply sun cream in school, then please send it in to school in a bottle with their name on ( not spray ones please). We are **unable** to apply the sun cream for your child but will supervise if need be. We are also happy for your child to wear sun glasses, but again please name them. We can't take any responsibility for loss or breakage.

## Something Lurking in the Forest

This week the Children in Class 3 took their learning outdoors. Using the woodland at Burton Agnes Hall the children imagined that they were part of the Yanomami tribes living in the rainforest. This activity was used to stimulate the children's language and experi-

ences so that when they write their piece of creative writing about the Rainforest they will have lots of ideas and language choices to use. We look forward to reading the results Class 3!

## Summer Term Learning

Please find attached to this evenings newsletter an overview of the learning that is taking place in school this term. The information is designed to inform you about what your child will be focusing on this term and ways in which you can support them at home. If you have any questions about the information you receive, please get in touch.

## Minibeasts in a location near you?

We have had a report of headlice in school. Please ensure you check your child's hair regularly and treat if necessary. Thank you all for your support with this.

## Carlton Lodge

For pupils in class 4 please can Carlton Lodge payment s be made on a TUESDAY. All balances must be paid by Tuesday 22nd May. Thank you.

## FOBAS Disco

What a fabulous evening we all had on Wednesday when the children stayed after school to enjoy the FOBAS disco. Given that the original disco was cancelled due to the snow, it couldn't have been hotter in our school hall on Wednesday . It was lovely to see the children of all ages really enjoying themselves and taking part in the fun.

A big thank you to everyone for supporting the event and a MASSIVE thank you to FOBAS for organising, baking and donating items for the children to enjoy.

## Dates For Diaries

|                                      | School closes for Summer.                                |

## Sporting news

On Tuesday evening we had some budding map readers taking part in an Orienteering Competition at Driffield School. Sophie, Millie and Isabella all took part and tried their hardest to find a number of markers by following a map. The children all enjoyed themselves and did well to complete the course. We haven't had the official results in yet to know how they did but all of the children really enjoyed themselves and learnt some new skills as they had never done it before. Well done girls.
