BURTON AGNES CE PRIMARY SCHOOL

# Friday News

## A note from Mrs Jameson

---

It was lovely to see so many parents in school last night at the first Parent Consultation of the new school year. We really value your input and hope that you found it as useful as we did. We hope that you enjoyed reading your letter from your child. This is something new that we are trialing as a way of the children understanding and recognising what they are doing well, what they need to get better at and what they are proud of. Over time these should help us support the progress the children are making as well as providing you with treasures to keep. This Year we have also created a play and stay session for our nursery parents so that they can work alongside their children and see them in action. It would be lovely to get some feedback on how well you thought this idea worked.

It is very clear to see that the children are shattered and really ready to have a rest. They have all worked hard during this very long half term. Have a lovely holiday. Take the time to relax and enjoy time with your children and charge their batteries. We have another long half term ahead!

## Paint The School Red!

---

You will all be aware that this year the country is remembering that it is 100 years since the end of WW1. We always take part in this very important activity of remembering but this year we would like to do a little bit more, helping the children to say thank you and understand the importance of this event. One of the things we would like

to do is to paint the school red...with poppies. **Here's where you come in.** Over the half term holiday we would love it if you could make a poppy or poppies of any size and out of any media. There are lots of ideas on google images and Pinterest. Bring them in to school after the holiday and we will display them and keep them up in school all year round, to remember. We really hope that you take up this challenge. Without you we can't 'paint our school red.' Poppies will also be on sale in school after half term.

## Changes to the entrance

---

We have planned for the final part of our secure entrance work to take place over the half term holidays. When we return on Monday the front door that is usually locked will be open and a new set of secure doors will be in place in the main hall way. The entrance to Mrs Banks and Mrs Dutton's office will have a secure hatch. And they will come and attend to you from the hatch position. Please feel free to wait in our seated area if there is a queue. We are anticipating a few teething problems until we all get used to it so please bare with us. The important thing is that these changes will help keep our children safe and secure in school. Thank you for your co-operation in this matter.

## Burton Agnes Sporting Success

On a glorious Saturday morning, over 40 children from various Infant/Primary Schools in the local area took part in our Year 1 and Year 2 Cross Country at Driffield Junior School. I was so proud to hear that all of the Burton Agnes children that took part achieved fantastic success. Well done to Chloe H who came 3rd in her race, Maisie S who came 1st, Lara B who came 2nd and Seren B who came 3rd in the Year 2 race and Edward J who came 3rd in his race. Such an outstanding achievement from such a small school. A huge thank you to parents for taking them along to this event.

## Parking

Please can we show courtesy to the people who live and work around school. I had a very upset gentleman come to see me after school on Wednesday as he had to wait 20 minutes to gain access to his garage.

Thank you for your co-operation.

*Have a lovely holiday.*

*See you on Monday 5th November*

## Dates For Diaries

Friday 26th October	School Closes for Half Term
Monday 5th November	School opens
Friday 16th November	Children in Need
Friday 7th December	Christmas Fair pm
