BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs Jameson

Creativity has been in the air this week as the children have taken part in **recycle week** this week.

The week was launched via a whole school assembly that Emma Jasper the recycling expert from East Riding Council came to deliver. She put us through our paces and brought us up to

speed on recycling, what we can recycle and how. She talked to us about the importance of recycling and the impact that not recycling will have on our planet. She then delivered a series of fun and engaging workshops where the children learnt even more. It was great to hear that lots of parents caught up with Emma at the end of the day to discuss your own recycling needs.

Throughout the week we have used recycling as a vehicle for our learning. Class 3 did some great reading exercises about recycling and Class 4 composed some amazing Kennings. Mrs Lee Senior has worked with all of the children this week and transformed milk bottles into a totem pole and elephants and helped the children create a wide range of recycled art. Hopefully the children have learnt some key messages this week. This planet isn't ours, we just borrow it and it is really important that we all learn how we can look after it more. As a school we are now looking at how we can recycle more.

Sporting News

It has been a busy week for sport at school this week. The first event of the school year saw nearly 100 children take part in the annual Cross Country event in the gorgeous surroundings of Sledmere House on a beautiful autumnal evening. The event saw four races, with the talent of the Driffield area showing great determination over a hilly, course. A huge well done to Isabella, Ted, Henry, Harry and James who all ran really well and all had very respectable placings and for many, their first cross country event.

Last night a group of Year 5 and 6 children took part in a Driffield Cluster hockey tournament, organised by Fiona. For some of the children it was the first time they had played in a hockey match. Captained by Jack, the team played remarkably well and came second, managing to play some very close matches with goals being scored and a good sense of determination and team work on display. A very big well done to James, Jack, William, Molly, Alice, Sophie, Ruby, Frank, Thomas and Joshua. Many thanks to all the parents who came along to support both events and to Mrs Lee senior who kindly gave up her time to be the coach.

Harvest Festival

We hope that you will be able to join us in Church for our Harvest Festival. For those parents new to the school, this takes place at St Martins Church in Burton Agnes. The children come together to celebrate this Christian Festival and thank God for the food we have through songs, stories and rhymes. We also ask for contributions of food that we share out to the elderly people in our community. We would therefore appreciate any contributions of tinned and packet foods, biscuits etc. If you wish to send in fresh produce such as vegetables please can we have those on Thursday 4th October.

Dates For Diaries

Friday 5th October	Harvest Service at church 2pm
Tuesday 9th October	Individual School Photographs

Thank you

Many thanks to everyone
who came along and sup-
ported the Macmillan
Coffee Morning or baked
cakes. We really appreci-

ate the support you gave. Your kindness and generosity allowed us to raise £ 140.68 for MacMillan.
