BURTON AGNES CE PRIMARY SCHOOL

# Friday News

## A note from Mrs Jameson

What a fantastic afternoon we have had today celebrating the festival of Harvest. The children and staff worked incredibly hard to put together a memorable performance of singing, reciting and creating poems and telling stories in their own special Burton Agnes way. The children always demonstrate such enthusiasm, confidence and enjoyment in their learning and activities such as these should be celebrated. Many thanks to you all for joining us at Church for this special occasion and for your very kind donations of produce that have been shared amongst our older members of the community. I am very sure they will be gratefully received.

## Class 3 Go Out and About.

This week the children in Class 3 took their learning out of school and had a visit to Burton Agnes Hall. Keen to investigate the local area and linked to their History and Geography work, the children were taken on a

very interesting tour of the hall where they learnt lots of interesting facts and then spent the afternoon perfecting their artistic skills through sketching. During the week the children then linked this learning to their literacy and have written some fantastic recounts as a result.

## Food and drink in school

A polite reminder that drinks in bottles should be water not juice (still fruity water is fine) and lunch boxes should not contain chocolate bars, sweets or nuts. Thank you.

## Smile please

On Tuesday 9th October the photographer will be in school. If you have children in the nursery that are not in on a

Tuesday or younger sibling that are not in school yet, then the photographer will be in school from 8.30 am. We will automatically take photos of family groups if they are already in school. The photographs make great presents for Christmas and school receives a commission which will be spent on things for your children.

## Parents Evening

This week your child will have brought home with them a letter about Parents Evening. Parents Evening is a chance for you to sit down with your child's class teacher and talk about your child's progress both in terms of how well they have settled to their new class and how well they are doing with their learning, personal and social behaviour. We ask that every child has a representative at Parents Evening so that we can have an open dialogue as to how we can work together to support your child. This evening is not for children and where possible we ask that you do not bring your children along as they cannot go in to the consultation with you and so will be left unsupervised. We look forward to catching up with you on this evening. Please return your slips to school as soon as possible.

## Flu vaccine

In a couple of weeks time the children in reception up to Year 5 will be having their flu nasal vaccine. (if you have given permission.) There is a great video and information to share with your child about this and why it is important to have. Visit <https://www.nhs.uk/Video/Pages/flu-heros-nasal-flu-spray-for-kids.aspx>

## Data forms

If you haven't already done so please return your data forms to school **ASAP**

### Dates For Diaries
