A note from Mrs Jameson

Our School values of care, trust and friendship were high on the agenda this week as I accompanied Mrs Young and the older members of the school Council to the Foodbank in Driffield to deliver the donations of food that you kindly sent in. The food bank is an amazing resource for our community and it really made us all feel grateful for our homes, families and everything we have and take for granted. Below is a report from Sophie and Darcy who went along with Liam and Taylor to deliver the food.

On Thursday the School Council went to Driffield and Area Food Bank with Mrs Jameson and Mrs Young. We took along 49.35kg of food. When we got there we took the food in and put it on the floor. We then went in to the store room and they showed us what an average family would take home with them. They said that most would take 2 big Lidl bags for a family of 4. Next they brought out some scales and they weighed our crates of food. Going to the food bank was a really good example of how people come together for the good of others. We will continue with the food bank so keep the donations coming in.

New faces in EYFS

You may recall a while ago me telling you that Mrs Webb who teaches 1 day a week in Class 1 was leaving us to take up more work at Hutton Cranswick School. Today the children in Class 1 met Mrs Hamlet who will be taking over from Mrs Webb in January. Mrs Hamlet is a very experienced EYFS teacher and we are very much looking forward to welcoming her to our team. We wish Mrs Webb all our best wishes for the future. We have really enjoyed working with her.

All photos are displayed on the playground doors . Don't forget to give us your email address when you order. If you do not have an email address we will happily print yours out.
