

The School has received a Sports Premium budget of £8345 for the academic year **2014 – 15**. The table below aims to set out how this funding will be spent and the impact we hope it will have on our learners. This plan is flexible and may change according to need and progress made with pupils.

<b>How is the money being spent?</b>	<b>What is its intended purpose?</b>	<b>What impact did the money actually have?</b>
Cost of contribution to the Driffield and Wolds Sports partnership £670	To build up good links with our cluster schools, arrange and participate in inter school competitions and access advice and support.	<p>Children in all year groups participate in inter and intra school competitions and events through the year. Children have gone on to represent their area in cross country.</p> <p>Children have wider access to PE activities through use of shared venues and equipment. All pupils in KS2 took part in intra and inter school competitions and competitive sport.</p>
To fund a specialist PE teacher £3500	To teach alongside staff to broaden staff knowledge of teaching PE	Increased in the quality of PE teaching across the school from specialist and school staff as a result of CPD. PE lessons are of a higher quality as a result.
To fund a specialist PE teacher to deliver after school sports club £400	<p>To increase participation in all sports and broaden links with local sports clubs.</p> <p>To offer a free sports experience to</p>	Increase opportunities for participation in fitness and sport. Numbers have increased and now include pupils from year 2 upwards. These pupils have

	pupils from Year 2 up	Improved a wide range of skills and 4 children have gone on to join Drifffield Hockey club as a result.
Funding for after school club £1645 for summer term Including leadership training for Y5/6	To increase pupil participation in sport	More children are involved in sport. A wider opportunity of sport is available which has enabled a greater number of participants and particularly children that had not previously attended after school sport. Leadership skills have been developed and the older children are using these skills to set up sporting activities for the younger children at break times.
Cost of new equipment £1000	To improve PE provision	Children benefit from using specialist equipment, skills enhanced.
To provide swimming opportunities for children in KS2 including transport £3000	To ensure all children can swim at least 25m before the end of KS2 and develop other skills in swimming	Greater opportunity for children to be safe near water All children to swim at least 25m by the end of KS2
