## A note from Mrs Jameson

It is a real pleasure to see how quickly the children have settled in to a new school year and children are making a huge effort already with their learning.

The children in nursery and reception have amazed us all and they look like they have been here forever. I think they are taking their topic theme this term very seriously as they are all little superheroes!

There has been some fantastic learning taking place all over the school this week. Class two have been very dramatic this week and have been using role play to retell stories which in time they will put into their own words through writing. Class 3 have also been using role play to tell myths and Class 4 have been designing

and making some very impressive musical instruments which they are going to use as part of their instruction writing.

## Us Kids Can

On Monday evening our first session of Us Kids Can took place after school. The session was fantastic and great fun was had playing games and learning about healthy lifestyles. I am hoping that we will see more families join us this week as we only had 1 family take part. It is a really fantastic opportunity to work together as a family, have a bit of fun and teach your children to be healthy at the same time. As a school we are really lucky to be able to access these sessions so please come along and join in the fun on Monday.

## School Meals

Just a reminder...if your child has moved from class 2 to Class 3 they will no longer be eligible for universal free school meals and you will now need to pay £2.20 per day. If you think you may qualify for free school meals please ask at the office. Thank you

## Fancy a cuppa?

As a school we work hard to support a variety of charities that are close to our hearts. This month we will be holding our annual McMillian Coffee Morning on Thursday 28th September at 9am. We would be very grateful for donations of cakes, buns and biscuits. All money will go to McMillian Cancer support. We hope you can join us.

## Fruit in School

Just a reminder that children are more than welcome to eat fruit in school at break times. The children in nursery, reception, year 1 and year 2 have free fruit as part of a government scheme. Once the children move in to Year 3 the free fruit stops and they need to provide their own fruit. Please can we ask that if you send **grapes** in to school that you cut them in half long ways to avoid your child choking on them.

## New Shoes?

If anyone has any unwanted shoe boxes, please send them in to school. We need them for Harvest and for our Shoebox appeal which we will be sending information out about very shortly.

Many thanks to you all for remembering to buy black shoes for school. The children look really smart.

Please can we remind you that toys should not be brought to school. Thank you

Please can earrings be removed for PE. If this is not possible please send your child to school with micro pore so that they can be covered up.

## Dates For Diaries

Friday 22nd September	Class 3 visit to Murton Park
Thursday 28th September	Safety day
Friday 6th October	Harvest Service at church 2pm
Tuesday 10th October	Individual School Photographs
